

*"The best way to predict  
the future is to create it"*

*Abraham Lincoln*

## **Shaping our Future Community Forum**

***Our Home, Our Community , Our Future***

**Lake Hayes Estate / Shotover Country / Ladies Mile / Bridesdale and surrounds!**

*The local community are invited to come together and discuss the future of the area!*

*Shaping our Future are working with LHESC Community Association to facilitate community discussion following successful forums for the Glenorchy and Arrowtown communities.*

This forum is independently facilitated with small group discussion to explore the following areas:

- What are the current issues, challenges and priorities for the community?
- What are the communities values/goals for the future?
- What actions could this community take today to meet their future goals?

**Option 1:** Sunday 26th August 2018, 2pm - 5pm, Shotover Primary School

**Option 2:** Monday 27th August 2018, 6pm - 9pm, Queenstown Events Centre

**RSVP:** [Register Here](#) or contact [Anita](#) on 021 222 1231

*Note: Both sessions will run the same programme so you only need to attend one.* It is not necessary to a member of any community association or Shaping our Future to attend.

If you can't make it but would like to have your say please fill in the online option at

<https://www.surveymonkey.com/r/LHESC>

Please help us reach as many people as we can by sharing this invitation to your contacts!

---

## Why participate?

- Predicted growth to over 5000 people by 2038! (Source: QLDC Growth Projections 2017)
- A fast growing young community.
- The people who live in a community (or want to!) are the key stakeholders to determine the needs of the community.
- A community set of goals and objectives, driven by the community, allows for a coordinated approach to projects and funding.
- To discuss who you are as a community? How do you want to develop in the future? Do you have an identity eg What do you think you might be known as or for in 2035?

The Shaping our Future process is designed to gather your ideas and facilitate conversation about goals and ways to shape the communities future.

**Shaping our Future Process:**

The Shaping our Future process is designed to give everyone a voice in the future of our district.

Since 2011 we have run 11 forums including Economic Futures, Events, Visitor and Tourism Industry, Queenstown and Upper Clutha Transport and Glenorchy and Arrowtown Community Visioning.

For more information on our process and our forums please visit [www.shapingourfuture.org.nz](http://www.shapingourfuture.org.nz)

## Join Shaping our Future

Membership is free for individuals! Keep up-to-date with the latest events, forums and reports by joining today. Our events are open to all people interested in the future of our district.

Corporate membership packages available. Our corporate members enable us to make sure our community has a voice in shaping the future of our district.

Please encourage your friends/associates/family members to join Shaping our Future Inc.

[Shaping our Future website](#) or email [executive@shapingourfuture.org.nz](mailto:executive@shapingourfuture.org.nz)

Shaping our Future was formed to put communities at the forefront of shaping tomorrow's future today. We invite you to support us in creating a better future for our children,

grandchildren and beyond. We look to the long term - where do we want to be in 30, 40, 50 years? Our process is designed to put in place actions to achieving our vision.

If you don't, who will?
